NEW FOR 2020

Paper Window Bags.

Designed to showcase and protect delicious baked goods, these bags are made from sustainably sourced, high quality paper, and feature a large viewing window.

Available in a variety of sizes to suit popular artisan breads, they allow businesses to package a wide range of products, conveniently and with style.

Castaway® Paper Window Bags are food-safe and recyclable – making them a functional, eye-catching, yet sustainable method to present your goods.

Main Features

- Made from renewable resources: The main body of the bag is made with sustainably sourced high quality kraft paper – an eco friendly alternative to present baked goods.

- Optimum visibility: All bags include a full length, high clarity window to highlight the hand-made artisan appeal of your bread, and stand out on the shelf.

- Ideal for a wide range of baked goods: From round, artisan and rustic COB loaves to long and slim French sticks.

Towards 2025

At Castaway®, we have always taken a responsible approach to delivering high quality packaging solutions that positively contribute to today and tomorrow's society. We are on a journey towards creating a circular economy where we maximise reuse, recycling and recovery, and minimise the amount of waste going to landfill.

We continue to work closely with the Australian Packaging Covenant Organisation (APCO), the Packaging Council of New Zealand (PAC.NZ), our suppliers and partners to help make all our packaging recyclable, compostable or reusable by 2025, as part of our commitment to sustainability.
