

ENVIRO  CUTLERY™

# WOODEN CUTLERY

Serve with style and sustainability using our EnviroCutlery Wooden Cutlery. Expertly crafted from sustainably sourced birchwood, these utensils are compostable, providing a natural, eco-conscious alternative to traditional disposable plastic cutlery. Perfect for any meal or occasion, they combine functionality, durability, and elegance, all while helping to reduce plastic waste and promote a greener planet. Make every meal an environmentally friendly experience with EnviroCutlery.
