The Urban Road beach collection

This seasonal set of creative designs offers a laid-back and trendy vibe for your customers. The collection features both single and double wall 8, 12 and 16 oz cups that suit our 86mm Ø sugarcane combo lids as well as a 4 oz cup and 62mm Ø sugarcane lid option. With 9 different prints, we have mixed it up in each sleeve!

These certified compostable cups are locally made, from sustainably sourced aqueous coated board, making them a sustainable and compliant choice but with all the great features you love.
