

# PRODUCT INFORMATION SHEET

**Product Range:** Castaway® Stretch 'n' Seal® Food Service Cling Wrap

**Product Code:** CA-CW300RT, CA-CW600D, CA-CW45D

**Description:** Food Service Cling Wrap.

**Material:** Manufactured from proprietary formulations PVC resin along with plasticising, anti-fog, antistatic, stabilising and lubricating additive tailored to this specific application.

**Safe Handling:** No special precautions required for handling. Ensure children do not place film over nose or mouth. In case of fire, PVC film is essentially self extinguishing, great care must be exercised.

**Storage:** Stored in a cool, dry area. Keep away from fire and flame.

**Environmental Considerations:** There is no waste recovery system for food contaminated packaging films available in Australia. Waste should be disposed of via the normal non-recyclable waste stream.

**Food Safety / Quality Management Certifications:** Made at a HACCP & ISO 9002 certified Facility. Films contains no BPA or phthalates & comply with Australian (AS2070 & NHMRC), US FDA & European food safety.

## Certification(s):

- |   |  |
|---|--|
