

GOODBYE PLASTIC LIDS. SAY HELLO TO THE GOOD CUP.

With an urgency to curb climate change and help the planet, Castaway® is proud to offer an innovative alternative to single-use paper coffee cups. This unique, patented paper cup has an integrated top flap that easily folds and locks into place eliminating lids altogether. Made from sustainably sourced, compostable, aqueous coated paper, The Good Cup helps fight the good fight against single-use plastics.

THE GOOD CUP

The Good Cup is a unique, patented paper cup with integrated top flap that easily folds and locks into place eliminating lids altogether. The lid features a unique spout design that can accommodate a straw if required. Reduce waste, storage and spend with this all-in-one cold drink solution.
