

A GREENER VERSION OF THE ORIGINAL PAPER BAGS

At Castaway, we are committed to increasing the use of recycled materials across our range. We have been working towards transitioning our Takeaway Carry Bags from 50% to 100% recycled paper.

Minimise your footprint by choosing the Recycled Range of Handle Carry Bags. Made from 100% recycled material and being recyclable, these environmentally conscious bags offer the same quality as traditional paper, but with a lower environmental impact.

ON-BRAND, WITH VALUES IN MIND

Let customers know that their orders are being delivered with sustainability in mind, helping them understand your commitment to sustainability.

Castaway® Recycled paper bags come in various sizes and designs, making them suitable for different applications, such as grocery shopping, retail, takeaway or meal deliveries. Using recycled paper bags, is a simple yet impactful way to contribute to a circular economy.
